DETAILED ACTION

1. This Office Action is in response to the amendment filed by the applicant on 3/30/2006.

Response to Amendment/Remarks

2. Applicant's amendment/remarks filed March 30, 2006, with reference 1-15 and 18, have been fully considered and as a result claims 1-15 and 18 are now indicated allowable. However, in order to advance prosecution in the case, an examiners amendment is considered necessary to correct for some minor deficiencies in the claims. The examiners amendment follows.

EXAMINER'S AMENDMENT

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Phillip J. Articola on 5/18/2006 and 5/22/2006.

4. The application has been amended as follows:

IN THE CLAIMS:

Claim 1, lines 7 and 14, after “said selected larger”, -- ones of said -- has been inserted, respectively.

Claim 1, line 11, after “and calculates”, the word “said” has been deleted.

Claim 2, line 10, after “said selected larger”, -- ones of said -- has been inserted.

Claim 6 (c), line 2, after “said selected larger”, -- ones of said -- has been inserted.

Claim 6 (d), line 2, after “timing data to produce”, the word “said” has been deleted.

Claim 6 (e), line 1, after “said selected larger”, -- ones of said -- has been inserted.

Claims 9 and 12, line 8, after “said selected larger”, -- ones of said -- has been inserted, respectively.

Claim 13, line 10, after “said selected larger”, -- ones of said -- has been inserted.

Claim 15, line 14, after “said selected larger”, -- ones of said -- has been inserted.

Claim 18, lines 7, 12 and 24, after “said selected larger”, -- ones of said -- has been inserted, respectively.

Claim 18, line 9, after “and calculates”, the word “said” has been deleted.

Claim 18, line 11, after “path timings from said”, -- demodulation -- has been inserted.

Reasons for Allowance

5. Claims 1-15 and 18 allowed.

6. The following is an examiner's statement of reasons for allowance:

With reference to claims 1, 6, 9, 12, 15 and 18, the prior art of record in combination with other claimed limitations considered as a whole neither teaches nor explicitly disclose, a synchronization apparatus in a spread spectrum system comprising:

a frequency offset estimating section which estimates frequency offsets from said power values and demodulation timing data, and calculates said phase change quantities from the estimated frequency offsets to output to said search section wherein during the calculation of said power values, said search section corrects phases of either said symbols or said power values based on said phase change quantities calculated by said frequency offset estimating section. Such limitations as recited in the independent claims are neither anticipated nor rendered obvious by the prior art of record.

Claims 2-5, 7-8, 10-11 and 13-14, are allowed by virtue of their dependency to claims highlighted above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
